SUPPORTING STATEMENT FOR

MARIA MORABITO

BY Concetta Corallo, President, FIDAPA BPW Italy

I am giving support to the application of Maria Morabito for Chair Standing Committee Projects as I know that Maria can be a valuable resource for this activity. She works for a multinational company as Human Resources Manager, and she works at European level to lead and execute projects with high financial and organisational impact for the company she works with. Besides she is used to coordinate and lead teams as she has demonstrated it in his job and in her roles in FIDAPA as President of the local association in Milazzo.
